To the Land Use Review Board:

I am an interested party in RPC03-0001 (Central Vermont Regional Planning Commission regional plan).

The Board's Preapplication Response dated September 8, 2026 lists DHCD staff among its recipients. The docket contains no DHCD response, comments or memo on CVRPC's preapplication. Dockets for other regional plans contain DHCD comments at this stage.

Please confirm in writing which of the following is true:

1. DHCD submitted comments or a response on the CVRPC preapplication, and it was not posted to the docket.

2. DHCD submitted nothing, and the Board received no DHCD response.

3. DHCD was asked and declined, or the Board did not request one.

If (1) is true, please post the document to the docket and send me a copy, with the date received.

If DHCD communicated with the Board or staff about the CVRPC preapplication by any other means (email, meeting, call), please say so and identify the date and form. To the extent any such communications exist, please treat this as a request for them under the Public Records Act, 1 V.S.A. §§ 315-320, for all communications between DHCD and the Board or its staff concerning RPC03-0001 from the date the preapplication was filed to today.
