CENTRAL VERMONT REGIONAL PLAN OBJECTORS PETITION

Residents from the Central Vermont Regional Plan Commission may file an Objection Notice with the Land Use Review Board to delay the implementation of the recently passed Central Vermont Regional Plan. If approved, this would allow more time for towns and most importantly, its residents, to review and evaluate how the plan will affect their property and suggest changes.

Our argument is the final Plan review process was only 30 days to review a complicated 416-page document which includes maps and charts. Small towns are at a disadvantage to comply with such a fast turn-around because we have civilian representatives that meet once or twice per month, not to mention that many have full-time jobs. It also did not provide time to gather input from its citizenry. Larger towns and cities have paid, sometimes full-time staff to do this work. The process is unfair to small towns and communities and violates the Regional Plan's Environmental Justice Policy.

Short turn-around time, petition must be received by the LURB on November 4th, 2026.

Residents from the following towns may sign the petition: Barre, Berlin, Calais, Cabot, Duxbury, East Montpelier, Fayston, Marshfield, Middlesex, Montpelier, Moretown, Northfield, Orange, Plainfield, Roxbury, Waitsfield, Warren, Washington, Williamstown, Woodbury and Worcester.
