Hello Land Use Review Board,

We understand there is a CCRPC meeting today with the Land Use Review Board and would like to enter this snippet of a Essex SB video (public to be heard) from the residents in the Town of Essex regarding truck traffic rerouted onto our residential zoned Town Highway: Lower Sandhill Road. Attn: Sarah Hadd. We chose not to live on a State Highway.

I would like this to be part of public record during this Preliminary meeting that most of these residents will miss due to work schedule.

Thank you!
Patty and Sam Davis
