Good morning Kristen,

VNRC would like to request an extension until Monday, November 17th to file our comments on NRPC FLU to be able to incorporate feedback from the site visit and public meeting tomorrow.

Please let me know if there are any issues with this request, and thank you for your consideration!

Best,  
Kati

Hello Kati,

Apology for the delayed reply, I didn't see this message until today.

The complete status date as published on the Board's database has been corrected and can be viewed here: [Act 250 - RPC08-0001](#)

The [Complete Letter RPC08-0001.pdf](#) indicates that the date of the letter, October 13<sup>th</sup>, starts the timelines. The [Notice Partner Agencies RPC08-0001.pdf](#) indicates that comments are due within 30 days of the date of the Notice. So, I compute that 30 days from October 13<sup>th</sup> (the comment deadline) is November 12<sup>th</sup>.

I hope this is helpful. Please don't hesitate to reach out with any questions.

All best,

Kirsten

Just following up to add that there's a different "deemed complete" date on the preapplication site visit notice (Oct. 13) vs. the database (Oct. 9), and we are unclear which is correct or when our comments need to be submitted by.

Thank you!
