Hi Kirsten – Yes, 10 days is great. I hope to have comments in prior to then, but the additional buffer is much appreciated.

Thanks again,  
Jen

Hi Jen, yes ANR can have an extension on NW application. Would 10 days be ok?

Good afternoon –

Please accept this email as the Agency's request an extension of the comment deadlines as noted in Section 1.104(B)(3) of the *Regional Planning Commission Application Guidelines* to finalize and submit comments to the LURB regarding our review of the Northwest and Chittenden County Regional plans. The Agency received notice of NWRPC and CCRPC pre-application reviews and understands the current associated comment deadlines to be 11/12/25 for NWRPC and 11/20/25 and CCRPC.

Thank you in advance for your consideration, please don't hesitate to reach out if you have questions or need additional supporting information.

Sincerely,  
Jen Mojo
