

**MEMORANDUM**

To: Potentially Interested Persons, File  
From: Kirsten Sultan, Land Use Review Board Member  
Date: November 14, 2025  
Re: Extension of Deadline for Comment on NRPC Regional Plan Pre-Application

---

This Memo concerns the deadline for potentially interested parties to submit comments to the Land Use Review Board concerning the Northwest Regional Planning Commission's Regional Plan Pre-Application (available on the Act 250 Database: [Act 250 - RPC08-0001](#)). The standard 30-day deadline corresponds to November 12, 2025. Due to scheduling challenges, the pre-application meeting and site visit were held after this date, on November 13, 2025.

I am hereby granting a 10-day extension for all parties to submit comments; after factoring in a weekend date, the new deadline for comments is **November 24, 2025**.

It is noted that the Board's 60-day deadline for its response to this pre-application is December 12, 2025.
