Dear Ms. Hurley,

I am writing to formally request a 10-day extension on the Department of Public Service's (Department) deadline to file comments with the Land Use Review Board (LURB) on the Rutland Regional Planning Commission (RRPC) preapplication submitted in September 17. Given the delay in receiving the request for comment, the Department would appreciate the additional time to review the plan and comment form to ensure our review meets the LURB's need as we embark on this new process.

Thanks in advance for considering this request and please don't hesitate to let me know if you need anything else to support it.

Best,  
Claire
