As a representative of the Town of Pawlet I strongly support the 2026 Rutland Regional Plan's Future Land Use Map as submitted. We worked closely with the RRPC to create that map and it meets the statutory intent of Act 181 and reflects locally driven planning that integrates our zoning bylaws, town plan goals, and infrastructure to guide appropriate growth in our two village centers. I urge the LURB to recognize these areas as qualifying for Tier 1B consideration and associated Act 250 exemptions.

Thank you,
