Dear Board,

As a member of the Planning Commission in Castleton and a member of the RRPC Board I would like LURB to accept the 2026 Rutland Regional Plan's Future Land Use Map as submitted. This map reflects our town's plan and allows growth where it is most appropriate and integrates our zoning bylaws, town plan goals, and infrastructure to guide appropriate growth in our Village Areas. I urge the LURB to recognize these areas as qualifying for Tier 1B consideration and associated Act 250 exemptions. I would like you to know that during all the meetings and interactions that I have had with the Rutland Regional Planning Commission they have listened and collaborated with us in a favorable way. Castleton believes the new map is good for our town and meets the intent of Act 181.

Thank you,

Liz MacKay
