TRORC Tier 1B Municipal Request Form

TRORC is in the process of updating their Regional Plan. In accordance with Vermont Statute, 10 V.S.A. Section 6033, a qualifying municipality may request Tier 1B status approval as part of the Regional Plan review process for certain areas from the Land Use Review Board for the purposes of Act 250 jurisdiction on 50 units or fewer of housing on a tract or tracts of land involving 10 acres or less or for mixed-use development with 50 units or fewer of housing on a tract or tracts of land involving 10 acres or less.

TRORC has confirmed that the Town of Bethel has a duly adopted town plan as of November 19, 2020 the town plan received regional approval as of December 9, 2020 and TRORC confirmed the town's planning process on March 27, 2024 in accordance with 24 V.S.A. § 4350. Also, the Town understands that TRORC intends to exclude from the requested area identified flood hazard and fluvial erosion areas, except those areas containing preexisting development in areas suitable for infill development.

- By checking this box and subsequent boxes (check all that apply), the municipality certifies that it has
 - public water supply
 - wastewater infrastructure, or
 - soils that can accommodate a community system for compact housing development in the area proposed for Tier 1B.

- By checking this box, the municipality certifies it has adopted permanent zoning and subdivision bylaws.

- By checking this box, the municipality certifies it has municipal staff, municipal officials, or contracted capacity adequate to support development review and zoning administration in the Tier 1B area as detailed below.

- The Town has appointed or contracted a Zoning Administrator/Administrative Officer;
- The Town has a yearly budget to support the administration of development regulations, including enforcement or appeals as needed;
- The ZA/AO and the DRB (or ZBA and PC) regularly process applications within the required timelines and issue written decisions in compliance with 24 VSA section 4464;
- The Town maintains municipal land use permit records; and
- The Town seeks technical assistance from TRORC/VLCT/Town Attorney for review as needed.

- By checking this box, the municipality requests to have the Land Use Review Board consider for approval the following future land use area (s) on the attached map as Tier 1B area(s):

- Village Center - Bethel
- Village Center – East Bethel
- Village Area
- All of the above
